PRODUCT BACKGROUND

When D. Gary Young formulated an oil blend, he did it for a purpose. When he selected the oils for Journey On—originally developed for the World Peace Caravan—he was about to embark on a journey to unite others in bringing peace to the world. Now, Young Living and the Young family are pleased to share Journey On as a commemorative oil blend to honor Gary's life, his vision for peace and unity, and his passion for essential oils.

As we remember Gary, we recall his mission to educate the world about essential oils and to ultimately transform our world into a peaceful, well society. The purpose of the World Peace Caravan continues as we identify our own personal journeys, bring joy and harmony into our own lives, and share that peace and purpose with others.
